

HOLZER HOLZER & FISTEL, LLC ANNOUNCES INVESTIGATION INTO AEROFLEX HOLDING CORP.

ATLANTA, GA - - (Businesswire –November 16, 2011) – – Holzer Holzer & Fistel, LLC is investigating potential violations of the federal securities laws by Aeroflex Holding Corp. (“Aeroflex” or the “Company”) (NYSE: ARX). The investigation focuses on whether a series of statements made in connection with the Company’s November 18, 2010 initial public offering (“IPO”) regarding Aeroflex’s business, its prospects and its operations were materially false and misleading at the time they were made.

Specifically, the investigation seeks to determine whether Aeroflex’s Registration Statement, which was issued in connection with the Company’s IPO, failed to disclose problems the Company was experiencing with its Ground Radio Maintenance Automatic Test System (“GRMATS”). Aeroflex recently announced that delays in submitting the product to the U.S. government for approval resulted in the Company not receiving anticipated payments for the GRMATS.
